**April 20, 2023 7 PM Spring Program-**  
Lansing Town Hall, 29 Auburn Road, Lansing

## Rt 34B SALMON CREEK BRIDGE HISTORY

Our April 20 Public Spring Program to be a photographic presentation of the construction of the new bridge.

Robert Parker has great photos and a good story to tell.

This will be intermixed with the story of how the original bridge was built presented by our new Lansing Town Historian Fannie Welch.
